ABOUT FCC

Established in 1976, Frontier Community College is a 55-acre campus located in Fairfield, Illinois. FCC serves Wayne, Clay, Edwards, Lawrence, and Jasper Counties. FCC offers quality education at an affordable rate, with small class sizes and customized student support.

Prepare yourself for the rapidly-growing workforce by enrolling in a CTE program at Frontier Community College, which was ranked a Top 25 Two-Year Trade School in America (*Forbes*, 2018).

Students will learn from instructors with many years of field experience, and the latest tools and technologies will be incorporated into the classroom. Multiple programs include internships, which allow students to gain hands-on, real-world experience.

FRONTIER COMMUNITY COLLEGE

Our mission:

Deliver exceptional education and services to improve the lives of our students and to strengthen our communities.

Fundamentals

Curriculum

Curriculum

64-Credit Hour Degree: D206

The Construction Technology degree and associated certificates are designed to provide students with educational experiences to develop competencies for continued education in construction technology as well as entry level employment in construction trades.

Special focus is given to framing and finishing, as well as plumbing and electrical work. Students will gain hands-on education and training by completing various projects on campus and throughout the community.
