“ Our mission is to deliver exception education and services to improve the lives of our students and to strengthen our communities. ”

Established in 1976, Frontier Community College is one of four education institutions that comprise Illinois Eastern Community Colleges. The FCC campus, located in Fairfield, spreads across 55 acres with ten buildings. FCC also provides off-campus educational opportunities to residents in Clay, Edwards, Jasper, Lawrence, and Wayne Counties.

Frontier Community College offers transfer degrees, Career & Technical Education (CTE) Programs, Emergency Preparedness (i.e. CPR & First Aid), Adult Education (GED Test Prep, Transition Skills), and personal enrichment classes. Explore our schedule to learn about these educational opportunities!

Career & Technical Education (CTE)

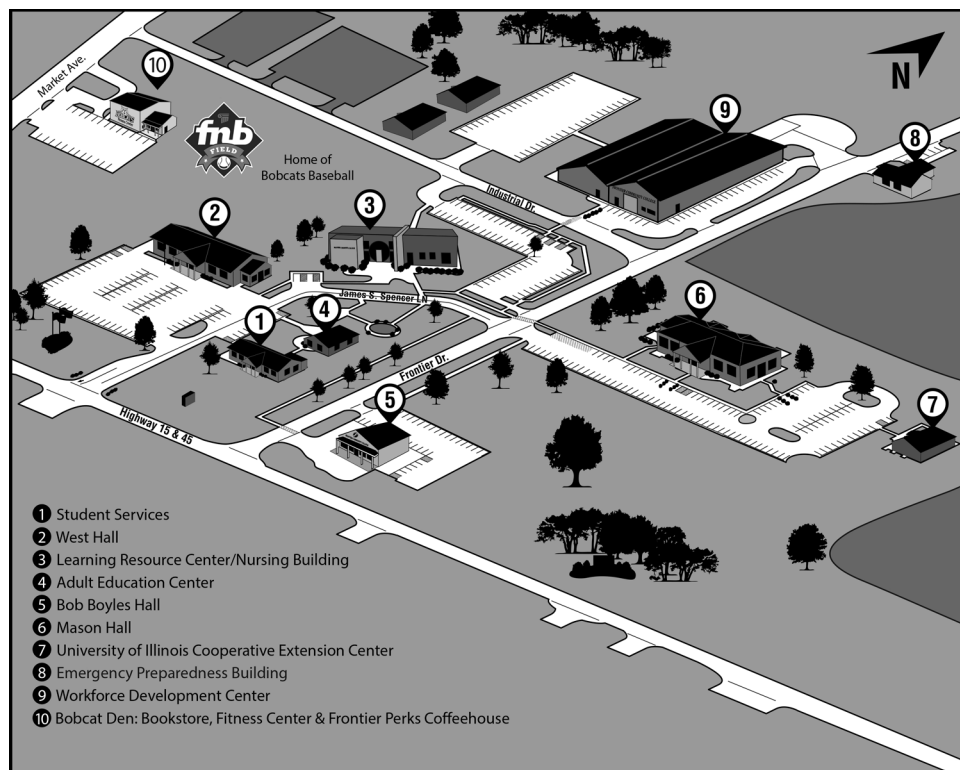

Automotive Technology
 Basic Nurse Assistant (CNA)
 Certified Medical Assistant

 Associate in Science & Arts

FALL 2020 AT A GLANCE

THE FALL SEMESTER BEGINS **AUGUST 20**
AND ENDS **DECEMBER 18**

The majority of FCC's on-campus classes are held in West Hall (Building #2), Mason Hall (Building #6), and Workforce Development Center (#9).

Frontier Community College also offers classes throughout the IECC district in Albion, Bridgeport, Clay City, Flora, Lawrenceville, and Newton. Class locations are listed in the course schedule.

ACADEMIC CALENDAR

7/27	Textbooks available for pickup
8/17-19	Registration & placement testing
8/20	First day of classes
9/7	Campus closed (Labor Day)
10/6	Campus closed (Employee workshop)
10/12	Campus closed (Columbus Day)
10/15	Midterm
11/11	Campus closed (Veterans Day)
11/25	Last day to withdraw from classes
12/11	Last day of classes
12/14-17	Final exams
12/18	Last day of semester
12/18	Textbook return deadline

DAYS OF THE WEEK

(As listed in the course schedule)

M	Monday	F	Friday
T	Tuesday	S	Saturday
W	Wednesday	U	Sunday
R	Thursday		

TUITION & FEES

Tuition & fees are due at the time of registration.

TUITION RATES

Tuition per credit hour (IECC In-District).....	\$100
Tuition per credit hour (Adjoining County)	\$105
Tuition per credit hour (Special Indiana Counties).....	\$135
Tuition per credit hour (Out-of-District).....	\$278.18

Nursing tuition per credit hour (IECC In-District).....	\$147
Nursing tuition per credit hour (Adjoining County)	\$160
Nursing tuition per credit hour (Special Indiana Counties)	\$200
Nursing tuition per credit hour (Out-of-District)	\$450

FEES

Computer Lab Fee (per credit hour; max. \$60).....	\$10
Facility Fee (flat \$5 fee added if enrolled in 6 or more hours)	\$5
Maintenance Fee (per credit hour)	\$15
Online/Hybrid Course Fee.....	\$35
Student Support Fee (per credit hour)	\$12
Technology Fee (per credit hour)	\$5

AGE 60 & OVER TUITION

Tuition is waived for individuals age 60 and over, and they pay only the fees for a class. Only in-district students are eligible for this special.

PAYMENT OPTIONS

Payment Plans - May be set up through the Business Office with a \$100 down payment and paid in full by midterm in three installments: August 20, September 22, and October 15. Drop date is November 5.

Students receiving financial aid - Make sure your financial aid file is complete; otherwise, a payment plan will be required. Book vouchers will be available to qualifying students once the file is complete.

\$20 PM Tuition Reduction

If you register for a class beginning at 6PM or later, a tuition discount of \$20 will be applied for each credit hour (instead of \$100). This discount is available to in-district students only, and you must be enrolled in no more than 4 credit hours per semester.

This tuition reduction applies only to classes containing college credit. Non-credit classes (such as community education) will be charged the set cost.

**Enroll now.
Save later.**

Attending FCC is a financially smart choice both now and in the future. With some of the lowest tuition rates in the state, you can earn a degree or certificate without breaking the bank.

Should you choose to transfer afterwards, you can save even more having completed general education requirements that cost hundreds or thousands more at a university. *What are you waiting for?*

COURSE REGISTRATION

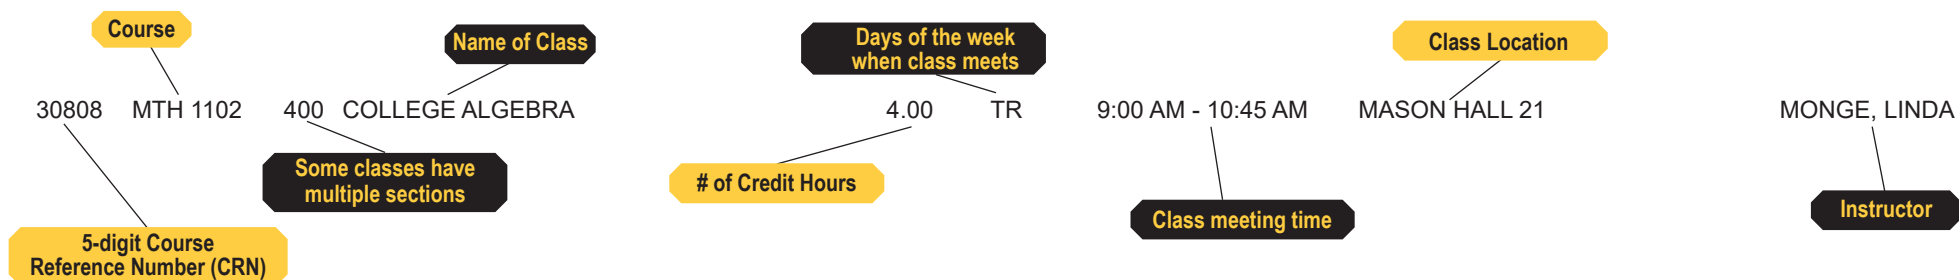

"How do I register?" Here are a few ways:

Phone - To schedule an appointment with academic advisor, give us a call at 618-842-3711. You may also start the registration process for a class by calling. Please use the course reference number (CRN) for an easier registration process.

In-Person - Our staff is happy to assist you with registration in our Student Services Office (Building #1 on the campus map on page 2 of this booklet). Regular office hours are 7:30AM - 4:30PM. Summer hours 7:30AM-4:00PM and will begin May 11, 2020.

Online - Using your personal Entrata account, you may register for classes online at www.entrata.iecc.edu.

UNDERSTANDING THE SCHEDULE

Student Schedule

Students will receive a copy of their schedule at the time of registration, and it is also available for viewing or printing through Entrata. You may receive a schedule by mail if you register for a class over the phone. You must bring your schedule to the Bookstore when picking up textbooks.

How to Add or Drop a Course

Students working toward a degree or certificate should contact their advisor to add or drop a course (schedule changes may affect financial aid). All other students may contact the Records Office in Student Services or by calling 618-842-3711.

What is an Online or Hybrid Class?

Online classes are completed 100% online. The student will never meet face-to-face in a classroom.

Hybrid classes blend face-to-face classroom instruction with online learning. Typically, students meet every other week for a hybrid course.

Students who enroll in either an online or hybrid course are required to complete the Intro to Online Learning class (CIS 1104), which is a free online tutorial through Entrata. All online and hybrid courses have a \$35 course fee.

What is an Entrata Account?

Entrata is a student portal that enables students to access e-mails, unofficial transcripts, schedules, grades, fee assessments, and more. Students can also use Entrata to register online or make online payments.

All students are required to open an Entrata account. For questions about Entrata, you may contact our Records Office at 618-842-3711.

ADULT EDUCATION

Get Ready for the GED Exam!

Frontier Community College offers free GED Test Prep classes throughout the area. These 8-week classes review each of the subjects on the computerized GED exam (math, writing, reading, science, social studies, and the Constitution), as well as job preparation skills. After completing the GED Test Prep classes, students can take the computerized GED exam on any of the IECC campuses (FCC, Lincoln Trail College, Olney Central College, & Wabash Valley College).

GED Test Prep is offered every 8 weeks on campus or in an area near you. For your convenience, we offer on-site registrations and walk you through the registration process. Look below to see where we're bringing classes next.

All classes are listed on page 17.

Albion	Lawrenceville
Bridgeport	Newton
Fairfield	Online
Flora	

Students who are new to the Adult Education program will be required to attend an orientation before GED Test Prep classes begin. Information regarding orientation is available on our website at iecc.edu/fcc, or it will be made available to students during the registration process.

For more information about the GED Test Prep classes or the computerized GED exam, contact Angel Maguire, Director of Adult Education, at maguirea@iecc.edu or 618-847-9160 (direct).

Prepare for College or the Workforce

After completing the GED Test Prep courses and passing the exam, Transition Skills courses will assist students with the next steps. These classes are designed for GED graduates and help with job preparation or college enrollment. Students will first evaluate their personal interests to determine which field of study or work is best suited for them.

Students enrolling in college will complete an application, sign up for financial aid, and review programs of study. If entering the workforce, they will then prepare a cover letter, review job applications, and perform job searches. Contact the Adult Education department to learn more about class offerings!

HAYDEN McDUFFEE
Coordinator of Transition Services
618-847-9158
mcduffeeh@iecc.edu

District-Wide Literacy Tutoring

Free services are available throughout the IECC District for anyone in need of literacy tutoring. Individuals must be at least 17 years of age and not currently enrolled in school, and they must test below the 9th grade level on an approved pre-test. In addition to literacy tutoring, FCC also provides support for English Language Learners with reading, writing, comprehension, computation, and speaking.

To sign up for free tutoring or serve as a volunteer tutor, please contact Sharis Wilson, Coordinator of Literacy Development, at wilsons@iecc.edu or by phone at 618-847-9154.

TRANSFER DEGREES

Start *here*. Go *anywhere*.

At Frontier Community College, we offer multiple Associate Degrees that will help you achieve your goals. Our transfer degrees are designed for a two-year plan, but students with dual credit or summer classes under their belt can graduate in as little as one year.

As a student at FCC, you can expect a high-quality education from qualified and knowledgeable instructors. Our small class sizes provide a better learning experience and allow you to receive one-on-one, customized support.

We pride ourselves on excellent customer service, and we strive to help our students and community in any way we can. Our staff and faculty are local and friendly, and we care deeply about you!

Transfer Degrees

Associate in Arts (AA)

Associate in General Studies (AGS)

Associate in Science (AS)

Associate in Science and Arts (ASA)

Why choose Frontier?

You're a name, not a number - At FCC, we take the time to get to know you. Our faculty and staff love meeting each student and making them feel welcome.

Small class sizes - This makes the transition from high school to college even easier. You'll get to know each of your classmates, and our instructors will ensure each student is learning and growing in the classroom.

Three-day weekends. Every weekend - Our classes are scheduled block-style, meaning they meet only once or twice per week. Classes meet Monday thru Thursday, meaning Friday is your day! Use this day off to study, work, or relax.

Flexibility - We offer day and evening options for many of our transfer classes. We know you're busy and may have other responsibilities, so we want to accommodate you.

Greater savings - With some of the lowest tuition rates in the state, choosing FCC is financially smart. Earn your Associate's Degree here and leave with extra savings to apply towards a 4-year university.

“

Living in a small town, I have always enjoyed the close-knit community. At Fronter, it's no different. Each of my instructors really took the time to get to know me as a person, and I'm thankful for that.

- **Mackenzie Conrad**
2020 ASA graduate

”

AUTOMOTIVE TECHNOLOGY

Two-Year Associate in Applied Science Degree

Prepare for a career in the automotive industry with this program, complete with Master ASE-certified instructors, a spacious lab, and the latest technology and equipment. Students will receive a blend of classroom instruction and hands-on training to learn about the ever-advancing automotive industry. Many dealerships and shops require technicians to be ASE-certified, and FCC students will study for and take entry-level ASE exams for each of the ASE categories. Entering the workforce with certifications under your belt will increase your employability.

In addition to earning ASE certifications prior to graduation, students also have the opportunity to earn Snap-on Multimetering certification. The test is available to second-year students, and FCC provides the test for free.

The program is led by Rodney Maxey, Associate Professor for Automotive Technology. Maxey has been with the program since its inception in 2003. Maxey is passionate about the automotive field and uses innovative, hands-on technology to help his students be prepared to confidently enter the workforce.

Students have the opportunity to seamlessly transfer to SIU-Carbondale after graduation and earn a Bachelor's Degree in Automotive Technology.

FIRST SEMESTER

AUM 1235	Fuel Systems	3
AUM 1236	Electrical Fundamentals	5
AUM 2220	Ignition & Computer Systems	5
MTH 1201	Technical Mathematics	3

SECOND SEMESTER

AUM 1237	Emissions Systems	3
AUM 1238	Engine Service	5
AUM 1239	Air Conditioning & Heating	4
PHY 1110	Survey of Physics <i>OR</i>	
PHY 1111	Technical Physics I	4

THIRD SEMESTER

AUM 2222	Engine Performance Diagnosis	3
AUM 2223	Brake Systems	4
AUM 2290	Steering & Suspension Systems	4
ENG 1111	Composition I <i>OR</i>	
ENG 1201	Communications	3

BASIC NURSE ASSISTANT (CNA) *7-Credit Certificate*

Frontier Community College offers a one-semester Basic Nurse Assistant Training Program in Fairfield. Students meet on FCC's campus for classroom lecture, and clinical hours are completed at Fairfield Memorial Hospital. Enrollment is very limited, so interested individuals should apply soon.

A Certified Nurse Assistant (CNA) is responsible for basic care services, such as bathing, grooming, feeding, checking vital signs, and assisting nurses with medical equipment. CNAs provide important social and emotional support to their patients and relay all important information to nurses. Employment may be found in hospitals, nursing homes, and home healthcare services.

If you would like to join the Basic Nurse Assistant Training Program, call FCC at 618-842-3711.

Class offerings may be found on page 20 of this schedule.

NURSING (RN) *Two-Year Associate Degree*

The Associate Degree in Nursing Program is offered on FCC's campus through Olney Central College and Illinois Eastern Community Colleges.

The Department of Nursing on FCC's campus is located inside the Learning Resource Center. There are multiple classrooms utilized for lectures, and a simulation lab allows for hands-on learning. Clinical rotations are completed at area hospitals, and students get to experience nursing in a variety of departments.

Enrollment for the Fall 2020 Associate Degree in Nursing Program has already closed, but interested individuals can apply for the 2021 entry date toward the end of this year.

To learn more about the Nursing Program, visit iecc.edu/nursing or contact FCC's Nursing Department at 618-842-3711.

CERTIFIED MEDICAL ASSISTANT

Two-Year Associate in Applied Science Degree

The Certified Medical Assistant (CMA) program trains students to perform a variety of both clerical and clinical duties in a health-related setting. For those interested in the healthcare industry but uncomfortable with in-depth patient interaction or medical procedures, the CMA program is a great balance of duties. Over four semesters, students will develop the skills of managing patient records, processing insurance forms, taking vitals, collecting specimens, assisting with first aid, and more. Halfway through the program, students will complete an internship with a local healthcare facility to gain hands-on, real-world experience.

EMPLOYMENT OPPORTUNITIES

The healthcare industry is rapidly growing and evolving, which has fueled the demand for positions related to the CMA program. Graduates can find jobs in hospitals, doctor's offices, clinics, and more. According to the Bureau of Labor Statistics, the job outlook for Certified Medical Assistants is projected to grow 23 percent by 2028, much faster than the average job growth.

Upon completion of the degree, graduates can take the CCMA/CMAA exam through the National Healthcareer Association. Students will also be eligible to sit for the Certified Phlebotomy Technician and Certified EKG Technician tests, expanding your career opportunities.

FIRST SEMESTER

BOC 2210	Office Seminar I	1
HEA 1225	Intro to Medical Terminology <i>OR</i>	
HIM 1207	CEMRS Medical Terminology	3
HEA 2267	Intro to ICD-10-CM	4
MTH 1203	Medical Assisting Math	2
SPE 1111	Interpersonal Communications	3
LSC 2265	Medical Assisting Anatomy	3

SECOND SEMESTER

BOC 2260	Medical Front Office	3
ENG 1111	Composition I <i>OR</i>	
ENG 1201	Communications	3
HEA 1208	Clinical Procedures	3
HEA 1210	Medical Assist Pharmacology	2
PHI 2141	Ethics in the Medical Community	3
PSY 1101	General Psychology I	3

SUMMER SEMESTER

HEA 2298	Internship	6
----------	------------	---

THIRD SEMESTER

ACC 1101	Applied Accounting	4
HEA 1209	HIPAA for Allied Health	1
HEA 2268	ICD-10-CM/Medical Office	4
HEA 2270	Applied Legal Concepts/Medical	3
HEA 2271	Medical Funding Applications	3

HEA 2269	ICD-10-CM/Health Agencies	4
HEA 2272	Medical Data Management	3
LSC 1101	General Biology I	4
LSC 2114	Intro to Human Pathophysiology <i>OR</i>	
HIM 1205	HIM Intro to Human Pathophysiology	3

PROGRAM TOTAL **71**

See a complete list of CMA course offerings on page 20 of this schedule.

ELECTRICAL DISTRIBUTION SYSTEMS

One-Year Certificate

The Electrical Distribution Systems (EDS) Program prepares individuals to build, repair, and maintain overhead and underground electrical distribution systems. Students also receive special training in pole climbing, cross arm construction, and hurt man rescue. Classes meet just three days per week, allowing students to maintain a job, manage other responsibilities, and commute from longer distances.

The EDS Program is an excellent choice for individuals who enjoy working outdoors and working with their hands. Graduates can find great careers with municipalities, electric cooperatives, tree trimming companies, construction, and more. Linemen are in high-demand and offer good benefit packages with an average salary of \$64,000 (*Indeed, June 2019*). If you like challenging and rewarding work, this is the program for you! Linemen are called to help restore power at all hours of the day and during storms and natural disasters.

FALL SEMESTER

EDS 1201	Electrical Distribution Systems	2
EDS 1202	Safety & Accident Prevention	3
EDS 1203	Climbing Skills	2
EDS 1204	Pole Framing & Construction Spec.	3
EDS 1205	Equipment Operation	3
EDS 1206	Setting & Replacing Poles	2
AGR 1215	Ag Chem Applicator	.5

SPRING SEMESTER

EDS 1210	Flagging and Traffic Control	.5
EDS 2201	Transformer Theory & Installation	5
EDS 2202	Conductor Install, Service & Install.	4
EDS 2203	Rubber Glove & Underground Dist.	4
EDS 2204	Fusing, Substation & Voltage Reg.	3
GEN 2297	Employment Skills	1

SUMMER SEMESTER

TRK 1201	Truck Driving I	7
----------	-----------------	---

See the complete list of EDS classes on page 20.

NOTEWORTHY ADVANTAGES TO THIS PROGRAM

Career readiness - During the program, students will receive flagger certification and spray applicator licensure. Students will also complete a Truck Driving course at Wabash Valley College to earn a Class-A CDL. Graduates will have a strong competitive edge when searching for jobs.

Experienced instructor - Lead Instructor Gerry Kinney brings over 20 years of lineman experience to the EDS program, and he ensures that every student is prepared for a career in the electrical field.

Hands-on learning - Students will spend nearly every day learning and training at our outdoor lab, located behind the classroom building. You'll quickly get comfortable with the routine tasks occurring each day, including putting on climbing gear and pole climbing.

Teamwork - Instructor Gerry Kinney believes the biggest asset of enrolling in the EDS program is developing teamwork. You'll go through this one-year program each day with your classmates, growing and learning together.

GRAPHIC ARTS & DESIGN

Two-Year Associate in Applied Science Degree

FIRST SEMESTER

GAD 1211	Computer Graphic Applications	3
GAD 1213	Drawing I	3
GAD 1214	Design Fundamentals I	3
GAD 1217	Photography I	3
ENG 1111	Composition I	3
GAD 2297	Graphic Art & Design Portfolio	.5

SECOND SEMESTER

GAD 1201	Computer Graphic Fundamentals	3
GAD 1205	Intro to Videography	3
MTH 1104	Quantitative Reasoning	OR
MTH 1201	Technical Mathematics	3
SPE 1111	Interpersonal Communications	OR
SOC 2101	Principles of Sociology	3
SPE 1101	Fundamentals of Effective Speaking	3

THIRD SEMESTER

BUS 1101	Intro to Business	3
GAD 1281	Fundamentals of Art History I	3
GAD 2212	Design Fundamentals II	3
GAD 2231	Computer Animation	3
PSY 1101	General Psychology I	3

FOURTH SEMESTER

GAD 2221	Computer Graphic Techniques	3
GAD 2225	Typography I	3
GAD 2230	Digital Imaging	3
GAD 2281	Fundamentals of Art History II	3
GAD 2297	Graphic Art & Design Portfolio	.5
GAD 2298	Graphic Design Internship	2
GEN 2297	Employment Skills	1

PROGRAM TOTAL

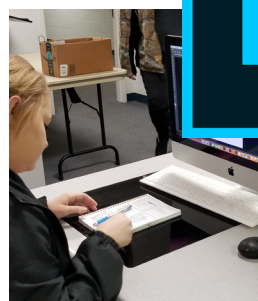

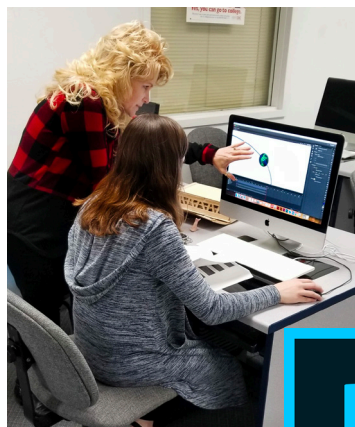

61

See the complete list of GAD classes on page 21.

The Graphic Arts & Design Program develops students in the areas of conceptual problem solving, critical thinking, creativity, and formal design. Students will learn and study the areas of branding and strategic marketing, which continues to grow in importance in the graphic design world.

Students will work daily with the Adobe Creative Cloud. The program will give special focus to Photoshop, Illustrator, InDesign, Animate, and Premiere Pro.

Graduates can enter the graphic design field upon graduation, or they can transfer to a 4-university to earn a Bachelor's Degree. FCC has an articulation agreement with University of Southern Indiana to seamlessly transfer from our Graphic Arts & Design Program.

MEDICAL LABORATORY TECHNICIAN

Two-Year Associate in Applied Science Degree

The Medical Laboratory Technician (MLT) program will begin in August 2020 pending approval from ICCB, IBHE, and HLC. Interested individuals may inquire about the program and request more information by contacting Kara Blanton, Academic Advisor, at blantonk@iecc.edu.

Medical laboratory technicians collect samples and perform analytical tests to help physicians diagnose and treat preventable diseases. Primary job duties include preparing specimens, accurately monitoring tests and procedures, analyzing chemical content of fluids, and matching blood for transfusions.

Technicians are expected to handle sophisticated lab equipment that searches for microorganisms, including cell counters, microscopes, and automated analyzers. MLT students will perform labs in a state-of-the-art classroom/laboratory (currently under construction), and they will also complete internships with local healthcare facilities to gain hands-on, real-world experience.

Once this program receives approval from accrediting bodies, a degree outline will be made available on our website. MLT-specific courses will include Serology, Immunohematology, Clinical Microbiology, Clinical Chemistry, Hematology & Homeostasis, and more.

GROWING OPPORTUNITIES

Graduates of the MLT program may find careers in hospitals, clinics, laboratories, and public health organizations. According to the Bureau of Labor Statistics, the median pay is \$52,000 per year. The demand for jobs is also projected to grow 11 percent through 2028, much faster than the average for most occupations.

MLT graduates may also continue their education by enrolling in a Medical Laboratory Scientist (MLS) program at a 4-year university.

JENNIFER ENGLAND
Program Director
618-842-3711
englandj@iecc.edu

PARAMEDICINE

Two-Year Associate in Applied Science Degree

Paramedics are responsible for responding to emergency calls, performing medical services, and transporting patients to a medical facility if needed. Additionally, paramedics may also administer medications, interpret electrocardiograms (EKGs), and use monitors and equipment.

Graduates of the Paramedicine degree program will have the knowledge, attitudes, skills, habits, and hands-on experience needed to perform pre-hospital advanced life support as they respond to medical and traumatic emergencies under direct medical control.

According to the Bureau of Labor Statistics, the job outlook for paramedics is expected to grow by 7% through 2028, which is faster than other occupations. In 2018, the median annual wage was \$34,320 per year.

The Paramedicine program offers an Associate in Applied Science Degree, and classes for the degree will begin in 2020. In conjunction with Carle Richland Memorial Hospital (Olney, IL), students will receive classroom instruction and hands-on learning complete with state-of-the-art medical equipment and facilities.

SPORT MANAGEMENT

Two-Year Associate in Applied Science Degree

This degree provides entry-level employment training for individuals interested in careers with the rapidly growing sport and recreation industry. Employment settings may include sports fitness marketing and sales, sport retail management, athletic coaching positions, recreation planning, and more.

FIRST SEMESTER

DAP 1201	Business Computer Systems	3
ENG 1111	Composition I	3
PSY 1101	General Psychology I	3
SPM 1201	Intro to Sport Management	3
ELEC	Elective	3

SECOND SEMESTER

ENG 1121	Composition & Analysis*	3
MTH 1201	Technical Mathematics*	3
SPM 1202	Recreation and Leisure	3
SPM 1210	Principles of Coaching	3
ELEC	Elective	3

THIRD SEMESTER

GEN 2297	Employment Skills	3
SPE 1101	Fund. of Effective Speaking	3
SPM 2201	Sport Communication	3
SPM 2210	Activity Planning	3
ELEC	Elective	3

FOURTH SEMESTER

SPM 2202	Diversity in Sports	3
SPM 2225	Sport Internship/Seminar	3
ELEC	Humanities/Fine Arts Elective	3
ELEC	Life/Physical Science Elective	3
ELEC	Elective	6

**Some classes may be substituted. See the complete list of Sport Management classes on page 21.*

PHLEBOTOMY

One-Year Certificate

Phlebotomists are responsible for drawing blood for tests, donations, or transfusions in hospitals and laboratories. Those looking to quickly join the workforce and healthcare industry are encouraged to enroll in the Phlebotomy Program, which can be completed in just two semesters.

Students in the Phlebotomy program learn the techniques and procedures to collect blood from patients or donors for diagnostic testing. Additionally, ethical and legal responsibilities, effective communication, and safe practices are studied.

Clinicals are completed at local hospitals during the spring semester to prepare students for a career. By working under the supervision of a skilled phlebotomist, students gain real-world experience providing direct care, as well as receiving one-on-one training.

EMPLOYMENT OPPORTUNITIES

After successfully completing the program, graduates are eligible to earn national certification from the American Society for Clinical Pathology.

Phlebotomists can be employed at hospitals, laboratories, blood banks and donor centers, home healthcare agencies, and more. According to the Bureau of Labor Statistics, the demand for phlebotomists is projected to grow 23 percent through 2028, much faster than the average for other occupations.

FIRST SEMESTER

HEA 1225	Intro to Medical Terminology3	
PHB 1220	Phlebotomy Theory	3
PHB 1222	Phlebotomy Procedures	3

SECOND SEMESTER

PHB 1224	Phlebotomy Externship	4
PHB 1298	Phlebotomy/Health Professional	3
GEN 2297	Employment Skills	1

PROGRAM TOTAL **17**

See the complete list of Phlebotomy classes on page 21.

FCC BOOKSTORE

Textbooks, Supplies, Apparel, and more

FCC's Bookstore is located inside The Bobcat Den (Building #10 on the campus map). The bookstore is open Monday thru Friday from 7:30AM-4:30PM. Summer hours are 7:30AM-4:00PM and run May 11 through August 7.

You may pick up textbooks for the Fall 2020 semester beginning Monday, July 27. Textbooks must be returned by December 18 or a late fee will be imposed. See our late policy below.

Fairfield Classes:

Students taking classes in Fairfield need to go to the Bookstore to check out rental books AND purchase supplemental materials (e.g. lab manuals, workbooks) before the start of classes.

Outside of Fairfield:

Please visit www.fccbookstore.iecc.edu/home to purchase or rent textbooks. All materials will be shipped via UPS (student pays shipping), or picked up in the Bookstore for free.

Payment

Payment will be expected at the time of pickup. We accept cash, check, VISA/MasterCard, or textbook vouchers from Financial Aid. Students with an outside agency paying for textbooks need to notify Student Services & the Bookstore.

Photo ID

Bring your photo ID and a copy of your class schedule to pick up textbooks. You receive your class schedule at the time of registration, or you may obtain it online through Entrata.

Under the age of 18?

A parent's signature is required on the Textbook Rental Agreement. We have copies of these available in the Bookstore.

Returns & Late Fees

Books must be returned by December 18, 2020. After-hour returns may dropped off at the front counter in The Bobcat Den. A \$5 late fee will be applied to any returns after this date.

QUESTIONS?

Andy Hill

Manager of The Bobcat Den

Phone: 618-847-9273

E-Mail: hilla@iecc.edu
