

## About LTC

Lincoln Trail College is a two-year, coeducational, comprehensive, public community college offering a full spectrum of transfer, occupational, continuing education, and community service programs.

Located in Robinson, Illinois, the scenic main campus brings together contemporary buildings and picturesque settings like Miller Lake.

As one of roughly 1,100 students, you will receive one-on-one attention from your instructors and support staff.

Lincoln Trail has been recognized twice as one of the top 120 community colleges in the nation for its completion rates and has been recognized as the number one among public two-year colleges for student success. Our students finish what they start and we provide the resources.

Our small campus allows big opportunities for you to get involved and build your resume. This is your chance to experience things you never thought possible. Imagine yourself on stage performing with our award winning Statesmen Singers or aspire to join our nationally recognized Phi Theta Kappa Honor Society.

Lincoln Trail College provides you with a quality education at an affordable cost. In addition to offering affordable tuition costs to our in-district students, we offer special tuition discounts to students from 18 counties in southwestern Indiana.

## The Program

The Industrial Management program (3 certificates leading to the AAS degree) will provide industry skills ranging from occupational safety and health regulations, total quality management, performance analysis, to manufacturing methods.

Graduates may supervise and coordinate activities of employees engaged in all phases of a plant operation. The job outlook for industrial management professions is very good. Local, state and national employment data indicates significant growth in the employment of industrial management professionals.

## Workplace Skills **C271**

The Workplace Skills certificate program prepares individuals with entry-level employment skills used in business and industry settings. Graduates of this certificate will be proficient in the general skills necessary for quality interpersonal interaction, as well as specific proficiencies in blueprint reading.

## Manufacturing Skills **C272**

The Manufacturing Skills certificate program is a unique training program designed to provide students with enhanced industrial career opportunities. Students select from directed manufacturing electives to acquire technical training to enhance employment prospects. This certificate was developed utilizing local industry-based skill standards.

## Supervisory Skills **C273**

The Supervisory Skills certificate program provides students with effective skills in performance management, motivation, team development and time management - everything you need to manage people effectively.
