

## About LTC

Lincoln Trail College is a two-year, coeducational, comprehensive, public community college offering a full spectrum of transfer, occupational, continuing education, and community service programs.

Located in Robinson, Illinois, the scenic main campus brings together contemporary buildings and picturesque settings like Miller Lake.

As one of roughly 1,100 students, you will receive one-on-one attention from your instructors and support staff.

Lincoln Trail has been recognized twice as one of the top 120 community colleges in the nation for its completion rates and has been recognized as the number one among public two-year colleges for student success. Our students finish what they start and we provide the resources.

Our small campus allows big opportunities for you to get involved and build your resume. This is your chance to experience things you never thought possible. Imagine yourself on stage performing with our award winning Statesmen Singers or aspire to join our nationally recognized Phi Theta Kappa Honor Society.

Lincoln Trail College provides you with a quality education at an affordable cost. In addition to offering affordable tuition costs to our in-district students, we offer special tuition discounts to students from 18 counties in southwestern Indiana.

## The Program

A 21 credit-hour certificate program.

**C337**

Pharmacy technicians assist and support licensed pharmacists in providing health care products and medication to patients. They often perform a central role in the preparation and delivery of drug products and act as a liaison for the pharmacist, doctor and patient. Technicians receive and refill prescription requests and verify authenticity and accuracy. They prepare the actual prescriptions, sometimes including the compounding of medication. Additionally, they prepare medication containers and label them. Pharmacy technicians must be registered by the Illinois Department of Professional Regulation.

This program prepares students with the training, education and skills needed to pass the licensing exam available from the Pharmacy Technician Certification Board and begin entry-level jobs in the profession. LTC is now a National Testing site for the Pharmacy Technician Certification exam.

Employment opportunities exist in hospitals, long-term care units, clinics, mail-order pharmacies, drug wholesalers and retail pharmacies. A background check is required of pharmacy technician students. Students must pass all courses in the curriculum with at least a C to proceed through the program.

## Financial Assistance

To be considered for financial aid, you must complete the FAFSA (Free Application for Federal Student Aid). FAFSA information is used to determine your eligibility for federal and/or state aid, and scholarships. It is also the first step in applying for a federal student loan. The FAFSA should be completed as soon as income taxes are filed in the spring. Applications are available online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Scholarship opportunities are available online at [www.iecc.edu/ltc](http://www.iecc.edu/ltc).
