

About LTC

Lincoln Trail College is a two-year, coeducational, comprehensive, public community college offering a full spectrum of transfer, occupational, continuing education, and community service programs.

Located in Robinson, Illinois, the scenic main campus brings together contemporary buildings and picturesque settings like Miller Lake.

As one of roughly 1,100 students, you will receive one-on-one attention from your instructors and support staff.

Lincoln Trail has been recognized twice as one of the top 120 community colleges in the nation for its completion rates and has been recognized as the number one among public two-year colleges for student success. Our students finish what they start and we provide the resources.

Our small campus allows big opportunities for you to get involved and build your resume. This is your chance to experience things you never thought possible. Imagine yourself on stage performing with our award winning Statesmen Singers or aspire to join our nationally recognized Phi Theta Kappa Honor Society.

Lincoln Trail College provides you with a quality education at an affordable cost. In addition to offering affordable tuition costs to our in-district students, we offer special tuition discounts to students from 18 counties in southwestern Indiana.

Lincoln Trail College

Our mission:

Deliver exceptional education and services to improve the lives of our students and to strengthen our communities.

Students and employees involved in substance abuse, within the college environment, are subject to disciplinary action.

Welding

Lincoln Trail College
Robinson, IL

an Illinois Eastern Community College

The Program

A 20 credit-hour certificate

C571

The Welding Program was developed to provide industry skills to prepare graduates for employment in the field of welding, as well as complement skills and requirements for other industrial/manufacturing programs.

Instruction will include types and use of equipment and materials, skill performance, safety and blueprint reading.

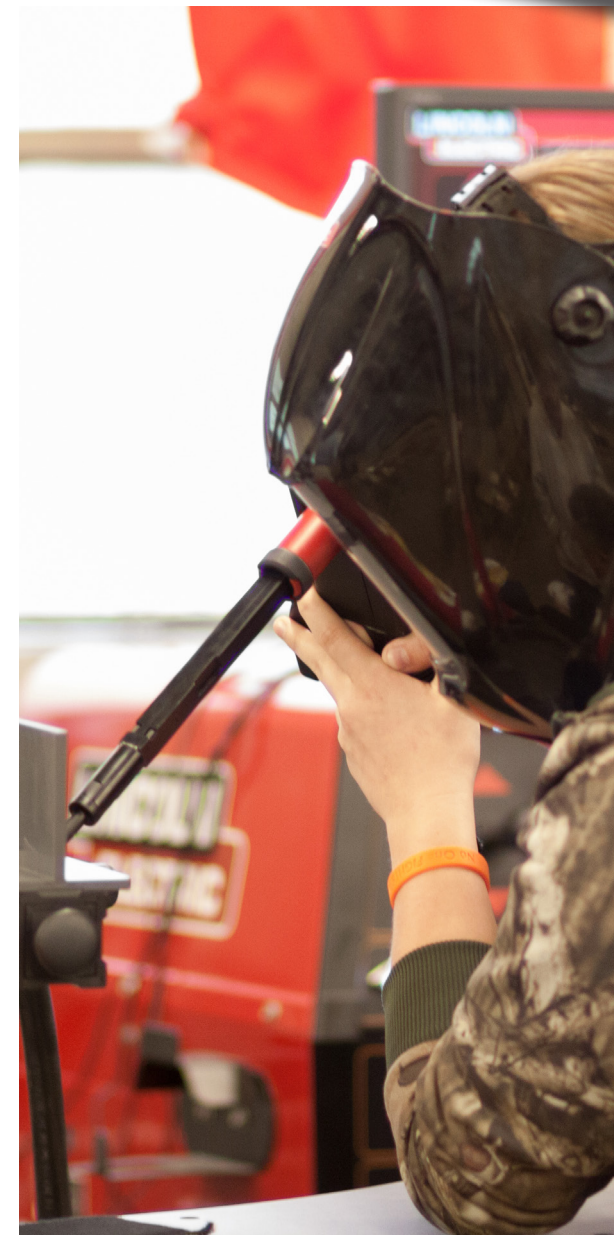

Career Preparations

Graduates are prepared for entry-level employment in industry. Students already working in an industrial setting will receive the training necessary to advance in their current position.

According to the U.S. Bureau of Labor Statistics, retirements and job growth in the oil and gas and other industries are expected to create excellent opportunities for welders. Welding schools report their graduates have little difficulty finding work. In fact, some welding employers report difficulty finding trained welders.
